necessa	ary to support a	in Agency request ise from the Rese	general information t to the Bureau of erve to support
BLACK S			

25X1

3. Consistent with the 303 Committee decision in December 1965, OSA has achieved a posture to deploy and to launch an aircraft over China within twenty-one days of a decision to execute an operational mission. To maintain this posture and to comply with the further injunction to maintain a concurrent mission capability augmentation of OSA personnel and funds for equipment requirements is required.
